

**NSS**  
NORTHERN SNOW SPORTS

**Mt Hutt**  
canterbury new zealand

## **CALL TO ACTION**

### **NSS Members meeting**

**Monday evening, 8.30 pm April 11.**

**Venue: Private Function Room - The Trendy Indian -  
204 Jervois Rd. Herne Bay. Cash Bar.**

**General discussion evening. Critical deadline April 14 for  
purchase of Season Passes.**

## **Winter training 2011 South Island**

**Northern Snow Sports will be offering a programme for 2011 under the Team Hutt training regime at Mt Hutt. Mt Hutt boasts FIS homologated race courses and highly skilled coaching. Integration into Freestyle and boarding programmes will also be on offer. We seek quality snow, quality coaching, more open mountain days and a venue with a rich culture of race and competition.**

**PUDDING HILL LODGE. Family first, in the spirit of NSS, we offer affordable, attractive, family oriented accommodation at "Pudding Hill Lodge" - all meals, lunch included at favourable package rates. 5 mins drive to the mountain access road. See [www.puddinghilllodge.co.nz](http://www.puddinghilllodge.co.nz). This will be another memorable experience for mum, dad and the kids. Unlike the 2010 experience, Pudding Hill will eliminate the work load of self help catering. An opportunity to relax, unwind after a day on the mountain and enjoy being looked after, they'll even provide a packed lunch away. Pudding Hill offer a rate of \$65 per adult accompanying, accomodation and three meals a day! Lunch included.**

**Young athletes from E1 to J2 (6 - 16 years old) are encouraged to participate. In paticular the J1 and J2 athletes not participating in FIS competition. The NYS (K Cup events) are open to non FIS athletes and the July camp will be an excellent opportunity for Secondary School ski race training.**

**NSS have procured a good value package. Destination Canterbury - affordability, ease of airflights, continuity of training for those who wish to continue training for the balance of the season.**

**SEASON TRAINING - For the committed wishing to seek a season of weekend training, we have abandoned our North Island training for 2011, seeking reliable weather and by default better value for money. Commencing mid June, athletes start training, include the July camp and continue training until October 2011. We are seeking aspiring dedicated athletes to commute to Christchurch on a weekly basis. No time out of school required. In the interest of achieving value, depending on numbers, parents will rotate a Team Manager role, eliminating the need for parents to attend every weekend. Parents attending weekend training will be responsible for unaccompanied athletes and their transportation. Airfares to Christchurch are affordable, rental transportation costs will be shared on a pool basis amongst families participating.**

**Further information email [michael@absm.co.nz](mailto:michael@absm.co.nz), see [www.teamhutt.co.nz](http://www.teamhutt.co.nz) and [www.puddinghilllodge.co.nz](http://www.puddinghilllodge.co.nz)**
